

Sunset Ocean View Pool Villa Suite

One Bedroom

Total area 482 sqm.

Maximum Occupancy – 2 adults & 2 children or 3 adults

Perched high on the cliff, this villa offers majestic views, plus a private pool and an open-air bathroom.

When we reached the cliff tops circling our private bay we knew the hike had been ecstatically worth the journey. We set about discerning the best spots for luxury villas, where we could tuck pavilions, decks, private pools, master bedroom suites and sheltered outdoor bathrooms into the forest cliffs.

Feel the primal satisfaction of standing on high and surveying the world before you, or retreat into the intimate hidden nooks and niches, sealing yourself away into a world of your own amidst the lush green jungle.

Your haven, constructed of sustainable wood, nestles you amidst the island's raw beauty. Explore its ins and outs, strolling from the master bedroom and its magnificent sea views to the walk-through dressing area, outdoor garden bathroom courtyard, living room pavilion or lower level pool. Your environmentally friendly electric buggy awaits, saving you the hikes that led to your perch's discovery.
