

JLF Soneva Fushi Special Offer May 12-21, 2023

The legendary Jaipur Literature Festival is returning to the Maldives in May 2023 with a captivating programme of world-renowned author sessions, gala celebrations and live performances, set against the idyllic island backdrop of Soneva Fushi.

Spanning 10 days and two weekends, each weekend programme is dedicated to flagship events including keynote addresses, gala dinners on the sand, live music performances and film screenings at our open-air Cinema Paradiso, accompanied by specially curated menus from our Soneva chefs.

Covering a fascinating spectrum of topics celebrating the Slow Life, guests staying with us during JLF Soneva Fushi are invited to engage with literature through stimulating debates, dialogues and free speech. You can access the inspiring sessions and panel discussions from the 2022 edition of the festival, which were recorded live, by simply clicking this [link](#).

The 2023 edition will once again see a line-up of world-renowned authors, including: British novelist, broadcaster and Man Booker Prize winner Howard Jacobson; British historian, television presenter and author of popular history books, Simon Sebag Montefiore; and Priyamvada Natarajan, professor in the departments of astronomy and physics at Yale University, who is well-known for her work in mapping dark matter and dark energy.
